Neighborhood Watch

I would like to give a HUGE thank you to each person who has volunteered to be a block captain for our Windsor Forest Neighborhood Watch program! Most of our neighbors should have been contacted by their Block Captain in an effort to obtain contact information in the event that there is news to be passed on. Please note that the only reason we will ask for a phone number or email address is to alert you of any neighborhood information. Many neighbors have yet to get their information turned in and we hope that you will participate as this program will add value to our community as well as help keep us safe!

I am still in need of Block Captains for Whitehall Ct., Tyndal Ct., Tempsford Lane, Windsor Way, Prentis Pl., Wetherburn Lane and small sections of Buford and Devon. Please contact me if you wish to help! Thank you all for your support!

WELCOME NEW NEIGHBORS

Amy Brown and her son **Parker** (age 14) and daughter **Rylee** (age 7) moved down the road from Fords Colony to 119 Hempstead Road last month. Amy is a Christian life coach who enjoys volleyball and tennis in her free time. You can find them this summer at the pool, and they can be reached at 564-4573.

The **Minott** family left Ft. Eustis in May for their new home, 102 Sheffield Road. **Guy** is in the army, and **Misti** is a homemaker who home schools **Kyleigh** (age 11), **Keyon** (age 6), and **Khloey** (age 2) and still finds time for a business on Ebay. Guy is available to provide lawn care, and Misti's hobbies are sewing and crafts. Kyleigh loves reading and kids (an up and coming babysitter?), while Keyon and Khloey focus on playing. The Minotts can be reached at 401-0493.

Brenda and **Doug Stephens** are our new neighbors at 4695 Longhill Road, moving up the peninsula to Williamsburg from Newport News last month. Doug, who retired from the U.S. Navy, is an auto mechanic by profession. The Stephens' can be reached at 220-2322

GREAT NEIGHBORS

Have you seen our newly redone entrances? Have you thanked a neighbor lately? Thanks to the hard work of Mark Pittman, Monty Hill, Larry Foster and others they have all been repainted. Notice the Shiny Gold Lettering? Yes, that's real gold Hand lettered by Tom French. Thank You Tom for renovating all of the entrance signs. All of the rotting wood has now been replaced with PVC material that will never rot. (Yea!)

Did you know Al Dalton puts the clubhouse trash cans out every week? and has for years. Thanks Al!

I am constantly reminded why Windsor Forest is such a special place to live. It is also a reminder that "if we all do a little - together we can get a lot done" and have a better neighborhood. Please say "YES" when you get a call to help with a neighborhood project- it really is fun. My personal thanks to everyone who says "YES" - when I ask.
